

THE 3905 CENTURY CLUB, INC.
BAKER'S DOZEN AWARD APPLICATION
(EACH BAND/MODE SEPARATELY)
(NOT ENDORSABLE)

The Baker's Dozen Award is earned by contacting the same operator mobile or portable in thirteen (13) different US states, Canadian provinces or territories, or DX entities. A second Baker's Dozen Award optionally may be earned separately if the operator brings along a club and operates it in parallel with the primary call sign. This award may be earned multiple times by using unique states, provinces, territories, or DX entities worked with the same operator on each band/mode combination. *Temporary special event call sign contacts are not eligible for the Baker's Dozen Award.*

REQUIREMENTS:

1. All applicants for this award must hold a 100-Point Certificate for the band/mode for which an application for this award is submitted.
2. The mobile/portable operator contacted need not be the holder of a 100-Point certificate number.
3. All contacts must be made on ***The 3905 Century Club, Inc.*** nets after January 1, 1980 and must be on the same band and mode.
4. All QSLs applied toward this award may have been used on prior awards, other than Baker's Dozen, and may be used on other Club awards that do not specifically restrict their use.
5. This award requires contacts with the same operator mobile or portable, or a mixture of both, in any combination of thirteen (13) different US states, Canadian provinces or territories, or DX entities (all of which are collectively referred to as "entities" below).
6. If the operator who was contacted in thirteen (13) entities brings along a club operating in parallel for the same thirteen contacts, the applicant may separately apply for a second Baker's Dozen Award by specifying the club call sign and the operator's call sign and by providing proof of contact with both the club and the operator.
7. If either operator changes call sign while collecting the thirteen (13) contacts, all prior contacts remain valid. If either or both call signs have changed, list all additional call signs on the application.
8. Except for a second Baker's Dozen Award application for a club call operated by the station worked thirteen (13) times as described in #6, multiple applications for the Baker's Dozen Award with the same operator on a given band/mode must each contain unique states, provinces, territories, or DX entities to be valid.
9. This is a dual award consisting of:
 - An award certificate to the applicant.
 - A Certificate of Appreciation to the operator worked thirteen (13) times.

SUBMITTING APPLICATIONS:

1. After first assuring that each QSL used toward this award conforms to all the requirements above, refer to the standard instructions contained in the application for the 100-Point Award, or on our web site (Awards Program, General Information), or included with this application if it was obtained by postal mail, for submitting applications and paying award fees.
