

THE 3905 CENTURY CLUB, INC.
TRIPLE PLAY AWARD APPLICATION
(MULTIBAND / MULTIMODE)
(ENDORSABLE)

The Triple Play Award is earned for submitting QSLs confirming contacts made with 30 different operators on three different bands or three different modes, only two of which may be SSB mode. Endorsements are available and are described below.

REQUIREMENTS:

1. All applicants for this award must hold a 100-Point Certificate on at least one of the bands/modes used for contacts toward this award.
2. All contacts must be made on ***The 3905 Century Club, Inc.*** awards nets.
3. For the Triple Play Award you must submit a total of 90 QSLs representing contacts made with 30 different operators with each operator having been contacted on three (3) different bands or three (3) different modes. Only two contacts per operator may be made using the SSB mode.
4. For the **Grand Slam Endorsement** you must have earned a Triple Play Award, and then you must submit one additional contact with each of the operators already contacted for the initial Triple Play award on an additional band or mode on which each was not previously contacted. Only two (2) of the required (4) contacts for the Grand Slam Endorsement may be made using the SSB mode. You must apply for the Grand Slam Endorsement by adding the 30 additional contacts to a copy of your previously submitted application for the Triple Play Award.

NOTE: If one or more of the persons contacted for your initial Triple Play Award become Silent Keys before you are able to work them a fourth time for your Grand Slam Endorsement, you may cross thru such instances, noting why, and replace them with four contacts that meet both the requirement for the initial Triple Play Award and the Grand Slam Endorsement. Two additional lines (grey) have been added to the application form for this purpose. There will be no exceptions made if one of your basic contacts simply becomes inactive.

5. For the **Double Header Endorsement** you must have already earned a Grand Slam Endorsement per 4 above, and then you must meet all of the requirements for an additional Grand Slam Endorsement per 4 above, using 30 operators not used previously to earn Triple Play Awards or endorsements. You must meet all additional requirements for the Double Header Endorsement at the same time on the same new award application and pay a single endorsement fee.
6. For the **Pennant Endorsement** you must have already earned a Double Header Endorsement per 5 above, and then you must meet all of the requirements for an additional Grand Slam Endorsement per 4 above, using 30 operators not used previously to earn Triple Play Awards or endorsements. You must meet all additional requirements for the Pennant Endorsement at the same time on the same new award application and pay a single endorsement fee.
7. For the **World Series Endorsement** you must have already earned a Pennant Endorsement per 6 above, and then you must meet all of the requirements for an additional Grand Slam Endorsement per 4 above, using 30 operators not used previously to earn Triple Play Awards or endorsements. You must meet all additional requirements for the World Series Endorsement at the same time on the same new award application and pay a single endorsement fee.
8. All QSLs applied toward this award and any endorsements to it may have been used on prior awards other than the Triple Play Award or any of its endorsements, and may be used on other Club awards that do not specifically restrict their use.

9. This award series may be earned multiple times by the same operator, but it must be earned in full from Triple Play thru the World Series Endorsement before starting over.
10. If questions about interpretation of the requirements for this award arise, and you can't reach agreement with your Area Awards Manager, please contact the Awards Committee whose decision on interpretation will be final. The Awards Committee will contact all involved before rendering a decision.
