

**THE 3905 CENTURY CLUB, INC.**  
**500-POINT AWARD APPLICATION**

(EACH BAND/MODE SEPARATELY)  
(NOT ENDORSABLE)

The 500-Point Award is earned by making contacts with call signs representing States, DX, YLs, Combos and 2-Letter Calls. A 100-Point Award on the same band/mode is a prerequisite.

**DEFINITIONS:**

**PREFIX** – The prefix is the character(s) preceding the numeric call area in the call sign. Some awards apply a different definition, which is given in the documents describing those awards.

Examples: K0WJ, NJ9T, 6W8DY. It is **NOT** K0WJ, NJ9T, 6W8DY

**REQUIREMENTS:**

1. All applicants for the 500-Point Award must have earned a 100-Point Certificate for the band and mode for which the application is made.
2. All contacts must be made on *The 3905 Century Club, Inc.* nets and must be on the same band and mode.
3. The 500-Point Award requires 400 points on this application. The 100 points already earned for your 100-point certificate will be automatically added for the total of 500 points required for this award. The 400 points must be earned as follows:
  - **STATES** – A minimum of one contact in each of 25 different states is required, a maximum of two contacts per state is permitted. (5 pts each contact)
  - **DX** – Not required, but limited to a maximum of 10 contacts. (10 pts each contact)
  - **YL** – Not required, but limited to a maximum of 5 contacts. (5 pts each contact)
  - **COMBO** – Not required, but limited to a maximum of 5 combo contacts. A combo is any two people in the same immediate family, checked into the same net session, from the same QTH and is limited to the following relationships – spouse/spouse, parent-child, grandparent-grandchild, sibling-sibling. All individuals operating as a combo must hold a valid amateur radio license for the band/mode on which they are operating. (10 pts per combo)
  - **2-LETTER CALLS** – Not required, but limited to a maximum of 5 contacts. A 2-letter call is any call sign with two or less letters in the suffix. (5 pts each contact)

**NOTE:** The requirements for contacts with STATES, DX, YLs, COMBOs, and 2-Letter Calls may be met with any allowable combination of these categories that totals exactly 400 points.

4. Each call sign can be counted in only one category. **DO NOT** enter any call sign in more than one category, or more than once on this application. Do not use any call signs that have been used on prior progressive award applications for the same band/mode as this application.

**EXCEPTION:** Any call sign modified by PORTABLE or MOBILE, and location, is considered a different call sign for the purpose of this award. A call can be fixed, portable and mobile in the home state (Canadian province/territory or other DX), and portable and mobile in each of the other 49 states (Canadian province/territory or other DX), each qualifying as a “different” call sign.

**NOTE:** No call sign may be used more than once on any of the progressive system awards; i.e., the awards issued for 100, 500, 1000, 2000, etc., points. Once a call sign is used to apply for any progressive award, it may not be used to apply for any other progressive award for that same band/mode. QSLs used on progressive awards may be reused to apply for non-progressive awards.

5. Wild Cards and Super Wild Cards may not be used as replacements for any requirements on the 500-Point Award application.
6. When entering call signs, mobiles must be entered with /M and portable calls with /P following the call sign. Also include the DX prefix if applicable.  
Ex: AA1ZZ /M, KP4/AA1ZZ /P, VE3/AA1ZZ /M

### **SUBMITTING APPLICATIONS:**

After first assuring that each QSL used toward this award conforms to all of the requirements above, refer to the standard instructions contained in the application for the 100-Point Award, or on our web site (Awards Program, General Information), or included with this application if it was obtained by postal mail, for submitting applications and paying award fees.

**NOTE:** The 500-Point Award is a full certificate award and is subject to the standard award fee.

### **HELPFUL HINTS:**

1. If you have contacts with 50 states, you may also apply for the WAS Award at the same time you apply for this 500-Point Award simply by including a fully completed application for WAS along with the fee for WAS at the same time as you apply for this award. If you do so, please use the contacts from the first column of the STATES category in the form below. (The latter is for the convenience of the Awards Managers.)
2. Do **NOT** use hard-to-get prefixes in any category since you need five (5) different prefixes in each state for the 1,000-Point Award – only one each for Alaska and Hawaii.
3. Contacts with fifteen (15) different DX call signs representing at least five (5) different DX entities are required for the 1,000-Point Award, so save your DX for the 1,000-Point Award.
4. It is recommended that you fill in your 1000-Point application first and then use the “excess” calls remaining to fill in the 500-Point Award application.

**PLEASE MAIL IN ONLY THE LAST PAGE OF THIS FORM WHEN SUBMITTING YOUR APPLICATION !!!**
