

## Greetings, 3905ers!

Our award output was low this week, in the aftermath of what I hope was a Happy Easter and a Happy Passover for all who celebrate. Just five certificates are on their way to four members in as many call areas. No new members this week. And so, without further ado, I present the awards.

#### AWARDS GOING AWAY

Remember that the High Point Award, Low Point Award, Oldest Town Award, and 12-Month Sequence Award will be retired on May 1, so you have less than one week to submit any applications for them. This is a hard deadline; AAMs will be unable to enter them starting May 1. Although we haven't yet seen any applications for these awards during the one-year grace period, we hope some enterprising member will get one in under the wire. Remember, the award will continue to exist in your permanent record.

Respectfully submitted,

Ben - AE4NT
