

## Greetings, 3905ers!

We're in December already – whoda thunk it? Time sure flies when we're having fun, but you folks in the Northeast and Midwest can't be having too much of that with all the shoveling ahead of you.

The wintry weather didn't daunt our award seekers this week, given that we issued 28 certificates to 17 members in 9 areas. We added one member to our rolls, a YL at that!
