

The 3905 Century Club Mobile Antenna Shoot-Out 2023

At the Triangle Virginia Eyeball

Saturday, September 9, 2023

9:00 AM – 12:00 PM EDT

Please join us for a grand Saturday morning competition where we will determine how your mobile signal stacks up against the rest! If you do not have a mobile setup, come anyway – this event is a fun spectator sport where you can enjoy wagering on whose rig will be Top Gun!

The winner will be crowned **Top Gun**, and he or she will reign until the next shootout. Our most recent winner was **Jim Higgins, KB3PU**. Second and Third Place entrants will be recognized as **Big Gun** and **Son of a Gun**, respectively. Even the last place finisher will not be left out – the **Pop Gun** designation will stick with him or her for a full year. Congratulations to **Doug Roberts, NE0A**, who amazed us all with an outstanding 2021 performance that will live in infamy.

The shootout was not held last year due to the unforeseen illness of one of the organizers. We'll make up for lost ground this year!

Our 2023 subevent venue is the **Stafford Regional Airport, 95 Aviation Way, Fredericksburg, VA**, which is about a forty-five-minute drive from the Prince William Forest entry road via either Interstate 95 or U.S. Highway One.

A locator/routing map is included in the [Shootout Event Brochure](#), where you will learn all about the shootout, its history, how we score it, where you will go, and everything else you will need to know to compete for Top Gun. Please [register early on-line](#), so we can keep the [full list of combatants](#) up to date.

Our shootout masters this year once again will be the Dynamic Duo of the Fourth Area: **Ben, AE4NT**, and **Dwight, WF4H**, along with a cadre of competent volunteers. We look forward to seeing you in Virginia!

Recent Past Mobile Shootout Top Guns

YEAR	CALL SIGN	ANTENNA TYPE	VEHICLE	MOUNT POSITION
