THE 3905 CENTURY CLUB, INC.

January, 1990

## FROM YOUR EDITOR

by Bob Hall, K4KWN

It has been a real pleasure to return to check in on the 40 meter version of the Century Club net. We are truly blessed with capable and dedicated Net Control Stations. Last night W4PNV got the list of almost 50 stations lined up in about 20 minutes thanks to Hale and a few other relay stations.

If you are like me, you are curious about what the person on the other end of your speaker looks like. Well, I contacted your QSL BURO Manager, Carol McClure, and she sent along a couple of pictures. To the right is Carol sitting in front of part of her station. The other picture (*not used but appreciated*) showed how she has modified a room to have hundreds of cubby holes (just like the old post offices) to properly sort the 4,000 to 5,000 QSL's she receives each WEEK!

Rightfully a member of the *BIG GUN CLUB*, on 40 meters she feeds a TenTec Omni-D into an Ameritron AL-80A, terminated into an inverted V up about 65 feet. On 80, the TenTec goes thru an HL2200 into an inverted V up about 65 feet. A TenTec Corsair II, Titan 425, and TH6DXX takes care of business on 10-15-20. And to top things off, for 160 meters she has another Omni-D with SB201 and 160 meter sloper.

*That super signal carrying the voice with a soft Texas drawl belongs to your QSL BURO Manager, Carol McClure, N5GAP!*

### FROM THE BOARD OF DIRECTORS

*Gleaned from Minutes received from WA4SGP*

Among other activities considered by your Board of Directors, it was decided to approve all Club late nets to operate on Sunday nights.

Old Timers (anniversary) Night is slated for February 17.

It truly a miracle that she has time to operate any of her radios at all with the load of sorting all of those QSL Cards. I hope you, like me, truly appreciate folks like Carol who help provide fun for us all!

And speaking of *FUN*, isn't it great to have those Combos checking in regularly on the nets? Carol passed along a couple of pictures she received from a Tennessee couple logging on regularly. Thanks to R.B (K4UQP) for sending them along.
