

General Election

General Election for Vice-President and Odd-Numbered and DX Call Area Directors

When are nominations?

Area Directors:

Candidates for Area Director must nominate themselves by announcing their candidacy on one of the Club's scheduled nets from November 1st through November 30th. Additionally, you must inform the Club President and Chairman of the Board, who will ensure that you are placed on the ballot.

Vice-President:

Candidates for Vice-President must be a club member and be nominated by his/her own Area Director at any Board meeting. In the absence of the Area Director, nominations can be made by the Assistant Area Director at any Board meeting.

Nominations for Vice President may be made at any BoD meeting from November 1st until adjournment of the regularly scheduled BoD meeting for December, 2026.

When are elections held?

Election Balloting period;

Begins: January 1st at 00:00:00 UTC

Ends: January 15th at 23:59:59 UTC

Who can vote?

All members may vote for Vice-President.

Members whose address of record for a given call area may vote for the Area Director of that call area.

Membership is defined in the by-laws as a licensee who has earned a [100-point award](#) on any band/mode.

How do I know who is on the ballot?

The nominated candidates on the ballot along with their bio's are found on the [candidate bios page](#)

How do I vote?

Members have four (4) methods available to vote; however, only one method is allowed for a vote to be counted, and the first vote received by any of the following methods will be the one counted:

(1) **Vote online:**

Members must be [registered](#) with the 3905ccn.org website and verified by the Club Information Officer prior to the end of the last day of voting (Jan 15 UTC - see "When are elections held?" above).

Members need only register once but are encouraged to register early so as to resolve any delays in the registration process.

Once you are registered, you can use your member information to login to the 3905ccn.org.

Online voting will open on the first day of the election and close at the end of the last day of voting (see "When are elections held?" above).

Voting online will be open on the [online voting page](#).

A step-by-step guide to online voting is available [HERE](#)

(2) Vote by email:

Send an [email to the Election Monitors](#) before the end of the last day of voting (Jan 15 - see "When are elections held?" above).

That will send an email to both of the election monitors

You may copy the [email ballot form](#) to use in your email.

The email **must** come from your [email of record with the club](#).

If you are planning to vote using this method you should [email the Club Information Officer](#) to verify your email of record with the club.

(3) Vote by Postal Mail:

Send a letter to both Election Monitors

Byron J. Fiedler, N8BF
3628 County Road 24
International Falls, MN 56649

Virgil C. Warren, W9WWG
1735 W 1000 N
Fountaintown, IN 46130

You may print and use the [mail-in ballot form](#).

Since postal mail is not timely, members are encouraged to send their vote by postal mail as early as possible, as the ballot *must be received by the election monitors by Jan. 15 for the Regular Election.*

(4) Vote verbally on a Special Net Session:

Verbal ballots may be cast on the air January 14 (local) / Jan 15 (UTC) on the 3905 CCN 40m SSB nets and the 3905 CCN 75m SSB nets.

Each vote on the air must include the member's callsign, any 100-pt award number and the band that award number was earned on, and their choice for Vice President and their choice for Area Director of the area they reside in if it is an Odd-numbered or DX call area.

Relays may be used to get the vote to the recorders.

The Net Control Station will record these votes and then send an email with the above information to both election monitors immediately following the conclusion of voting.

If there are any questions, please contact either one of the 3905 Century Club Election Monitors:

Byron J. Fiedler, N8BF

Virgil C. Warren, W9WWG
